Mortgage Options

Consent Record
MO-2026-0001 · Jordan Testwell

Draft consent wording for software testing — must be approved by the firm's compliance function before use with real clients.

Integrity check passed — this record matches its stored hash.

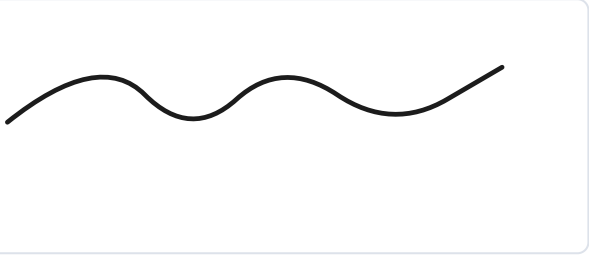

Data protection and consent

Mortgage Options will use the information you give us to research and recommend a mortgage and any related insurance, and to arrange it with the lenders and insurers you choose. Our privacy notice explains how long we keep your data, who we share it with and your rights, including access, correction and erasure.

Firm: [Firm legal name], [FCA FRN]

✓ Agreed	I have been given, or offered, the Mortgage Options privacy notice.
✓ Agreed	I understand my personal and financial information will be used to give me mortgage and protection advice and shared with lenders, insurers and credit reference agencies when I apply.
× Not agreed	I consent to Mortgage Options processing any health or other sensitive information I choose to share, where it is needed for my advice or applications.
✓ Agreed	I agree to this meeting being audio-recorded. The recording is transcribed by an AI service and summarised with AI assistance; my adviser checks everything before it is used.
× Not agreed	I would like to hear from Mortgage Options about reviews and relevant products in future. (Optional)
